Puppy can be registered with Lostmypet.com

1 Year Health Guarantee

To the best of the sellers knowledge, this puppy is sound and in good health. It is understood that the puppy is to be taken to a licensed veterinarian at your earliest convenience after receiving your puppy. Once your puppy has been examined by a licensed vet, please email us a copy of your receipt to validate this 1 year health guarantee. If the puppy is found to have a genetic disorder by a veterinarian within the first year of the puppy's life , we will replace the puppy at no cost to the seller. We provide this warranty for 1 year after the date of the sale against any debilitating congenital defects. In the event the puppy exhibits symptoms of a suspected debilitating congenital defect, the buyer must supply any requested veterinary records to the seller within 7 days of informing the seller of the defect. We have the right to require a second opinion from a veterinarian of the sellers choice at the sellers expense. Cherry eye, hip dysplasia , Hypoglycemia, giardia, coccidiosis, hernias, malnutrition, dehydration, physical exhaustion, kennel cough and any dental issues are not covered under the terms of this contract. We base estimated mature weight of each puppy off the weight of both parents, therefore there is no guarantee on estimated mature weight/size. You as the owner are required to: give all immunizations (including rabies), check for internal parasites every 3 months up to 1 year of age. Start your puppy on a heart worm prevention between 4 and 6 months of age. It is encouraged to have your puppy neutered or spayed at 8-12 month of age. For the purpose of this agreement after the puppy leaves the sellers premises, it is the buyers responsibility and the seller is no longer responsible for any veterinary bills. Seller is bound only to the original buyer. No warrantee's expressed or implied are made under the terms of this contract except as stated above. I the buyer, agree to pay \$25.00 to have my puppy micro chipped by the seller to validate this 1 year health guarantee. I also understand the care and instructions that have been provided contain sufficient information in regards to a successful puppy adoption. If for any reason I have a question, I realize I can contact the seller. I have read the above contract in full and understand all terms.
